

# McKenna Lohr

October 8, 2019

## EDUCATION

---

2019 – Present	Ph.D. Student in Anthropology, University of Kansas
2019	M.S. in Forensic Science and Law, Duquesne University
2018	B.S. in Biology with Minors in Biochemistry and Mathematics, Duquesne University

## AWARDS AND HONORS

---

2018	George W. Neighbor Jr. Memorial Undergraduate Scholarship, 44th Annual Northeastern Association of Forensic Science Conference, Bolton's Landing, NY. (\$1750)
2018	Certificate of Excellence in Biology, Duquesne University, Pittsburgh, PA.

## GRANTS AND FELLOWSHIPS

---

2019	Chancellor's Doctoral Fellowship, University of Kansas (\$5000)
2019	University Graduate Fellowship, University of Kansas (\$17000)
2018	Bayer Graduate Research Fellowship, Duquesne University (\$4650)

## CONFERENCE PRESENTATIONS

---

2019	<b>Lohr, M.</b> , Reeder, P., Burrows, A., and Ludvico, L. What Can Be Learned from a Bag of Bones: Ancient Human Skeletal Remains from the Flevaeis Plot Archaeological Site in Rhodes. Presented at the Duquesne University Forensic Science & Law Graduate Research Symposium; 2019 April 11; Pittsburgh, PA.
2019	<b>Lohr, M.</b> , Reeder, P., Burrows, A., Janecka, J.E., and Ludvico, L. The Comparison of MtDNA Control Region Haplotypes between Individuals of Known Maternal Lineage and Ancient Skeletal Remains from the Flevaeis Plot Archaeological Site in Rhodes. Presented at: 9th Annual Pennsylvania Forensic Science Student Research Exchange at Duquesne University; 2019 March 30; Pittsburgh, PA.
2019	<b>Lohr, M.</b> , Reeder, P., Burrows, A., Janecka, J.E., and Ludvico, L. The Comparison of MtDNA Control Region Haplotypes between Individuals of Known Maternal Lineage and Ancient Skeletal Remains from the Flevaeis Plot Archaeological Site in Rhodes. Presented at: 6th Annual Graduate Student Research Symposium at Duquesne University; 2019 March 15; Pittsburgh, PA.
2018	<b>Lohr M</b> and Ludvico L. What Can Be Learned from a Bag of Bones: Ancient Human Skeletal Remains from the Flevaeis Plot in Rhodes. Presented at: 44th Annual Northeastern Association of Forensic Science Conference at the Sagamore Resort; 2018 October 25; Bolton's Landing, NY.

- 2018 **Lohr M** and Ludvico L. What Can Be Done with a Bag of Bones: Ancient Human Skeletal Remains from the Flevaeis Plot in Rhodes. Presented at: 10th Annual Undergraduate Research and Scholarship Symposium at Duquesne University; 2018 April 11; Pittsburgh, PA.
- 2018 **Lohr M** and Ludvico L. What Can Be Done with a Bag of Bones: Ancient Human Skeletal Remains from the Flevaeis Plot in Rhodes. Presented at: 8th Annual Forensic Science Student Research Exchange at Pennsylvania State University; 2018 April 6; University Park, PA.
- 2017 **Lohr M** and Ludvico L. What Can You Do with a Bag of Bones: Human Skeletal Remains from Rhodes. Presented at: 20th Annual Undergraduate Research Symposium at Duquesne University; 2017 July 28; Pittsburgh, PA.

### **RESEARCH EXPERIENCE**

---

- 2019 – 2020 Graduate Research Assistant, Department of Anthropology, University of Kansas
- 2018 Graduate Researcher, Forensic Science and Law Program, Duquesne University
- 2018 Bayer Fellowship Graduate Researcher, Duquesne University
- 2017 Undergraduate Research Program Participant, Department of Biology, Duquesne University

### **TEACHING EXPERIENCE**

---

- 2020 – 2021 Graduate Teaching Assistant, Department of Anthropology, University of Kansas
- 2018 – 2019 Instructor I STEM, SciTech Days Workshop, Carnegie Museums of Pittsburgh
- 2017 Forensic DNA Session Presenter, Forensic Science and Law Summer Workshop, Duquesne University

### **SERVICE**

---

#### **Peer Review**

*D.U.Quark Science Journal*

#### **Volunteer**

- 2017 – 2019 Information Volunteer, Carnegie Museum of Art and Natural History
- 2017 – 2018 Secretary, D.U.Quark Science Journal, Duquesne University

### **PROFESSIONAL MEMBERSHIPS**

---

- 2019 Graduate Students for Anthropology, University of Kansas
- 2018 Delta Delta Epsilon International Forensic Science Honor Society, Duquesne University
